

Ken Grantham Memorial Survey Monument

Deschutes County Road Dept., 61150 SE 27th, Bend, Or. 97702

Brass cap set in honor of Ken Grantham, Oregon PLS #2282 by members of the Professional Land Surveyors of Oregon, Central Chapter, on June 2, 2018. Ken was Deputy County Surveyor at Deschutes County from 1989 to 2016.

A four foot deep hole was dug and filled with 16 bags of concrete.

4" brass disk and red survey review pen

A red pin was pushed down into the concrete. For over two decades local surveyors were very familiar with Ken's red-line comments on their surveys. A 5/8" rebar was also set into the concrete to make it detectable with magnetic locators.

Setting the brass cap

Left to right:

Gary Dejarnatt, PLS

Kevin Samuel, PLS

John Thompson, PLS

Parneli Perkins, PLS

John Thompson and Kevin Samuel take GPS observations on station "Grantham".
